

CAPE FEAR BOTANICAL GARDEN

## **Seasonal Environmental Education Assistant**

**Positions Available:** February 28, 2012 - June 29, 2012

**Salary:** \$ 8.50 hr.

**Hours:** 20-30 hours per week, Monday - Friday, from approximately 8a.m. to 3p.m. Actual hours will vary slightly depending on students schedule for the day.

### **Description**

Cape Fear Botanical Garden is seeking an energetic Education Assistant for the 2012 tourist season. Responsibilities include assistance implementing youth and adult education programs on botanical/natural history and environmental themes.

Candidates must be able to work outdoors under summer heat and weather conditions, and lift up to 35 pounds. Position will report to Director of Education.

### **Qualifications**

Ideal qualifications include completion of the first several years of college with a focus on education, botany, environmental studies, outdoor education, biology, ecology or a related field. Leadership experience, flexibility and good people skills are essential; experience working with children or a teaching certification is strongly desired.

### **Application Procedure**

Applications accepted until position is filled. All applicants must submit the following:

- 1.) Resume and cover letter
- 2.) Three references

Applicants being considered will submit to a background check. All components must be received before applications can be processed. Submit all materials to:

Cape Fear Botanical Garden  
Attn: Director of Education  
P.O. Box 53485  
Fayetteville, NC 28305
